

Terrific Track 3

What's going on in class?

If you haven't already, please join Remind. We communicate daily with families using this app, including notifications when kiddos do not complete their Homework. Scroll down for info on how to join your child's HOMEROOM Remind group. You do not need to join both groups.

Reading (Sullivan)- In Reading this week, we FINISHED *Esperanza Rising* and the students LOVED the story. We discussed how the final chapter of the book included the climax, falling action, and resolution all in one chapter. We all had SO much fun exploring with Esperanza this quarter. The students loved finding out that this story is based on a real person. We had such great class discussion. The students completed their final EL assessment for the quarter and we are turning our focus to the upcoming Case 21 and Esperanza Book Assessment. I cannot wait to see all of the fun we have in Quarter 2 as we explore the Rainforest.

Math (Trainor)- We wrapped up Unit 2 this week and are now feeling strong about Order of Operations, Multiplying using the Area Model and Dividing larger numbers. Anyone who received a 2 on their Unit Test (coming home today) will work in a small group to allow more time for mastery. The Math Case 21 is on Tuesday, September 24th. Review videos, online games and practice problems are posted in Google Classroom, sorted by unit.

If you have not yet joined Khan Academy, here's how you can access these valuable materials:

1. Go to www.khanacademy.org
2. Click on Log In
3. Decide if you would like to do a Learner or Parent account
4. Enter DOB
5. Sign up with email or students can sign up using Google and use his/her Wake ID
6. Once on your child's Profile Page, click on the Coaches tab
7. Enter class code GXM7A89S.

Social Studies (Trainor)- The Quarter 2 unit will be studying Civics & Government.

Science (Trainor) - We wrapped up our Forces and Motion unit this week by exploring physical and chemical changes and how to use a line graph to interpret an object's motion. A study guide was sent home earlier this week. We will review these Science concepts after ELA

and Math Case 21s next week. The Science Case 21 will be on Wednesday, September 25th.

NO SCHOOL Monday, September 30

WCPSS teachers have a work day, so school is cancelled for students.

OCE 2019 FAMILY STEM NIGHT- September 26 from 6 to 7:30 pm

Hello Clippers, it is time to sail into the world of STEM!!! This is a fun and free night for the entire family! We will have many experts from NC State sharing interesting hands-on activities to explore Science, Technology, Engineering, & Math ideas. We will also have some FIRST teams from local high schools doing demonstrations with their robots. Get ready to learn and have fun. We hope to see you all there.

National Custodian Day Wednesday, October 2

We LOVE our custodians here at OCE... they are truly exceptional at their jobs and connect so sweetly with the students each day. Let's show them our appreciation with extra thanks and maybe some cards and other tokens of appreciation!

Walk to School Day Wednesday, October 2

Our first official Walk to School Wednesday!

DC Field Trip Updates

The trip is Thursday, October 3- Friday, October 4.

BYOD has begun!

PLEASE NOTE- NO PHONES! IF YOUR CHILD WEARS AN APPLE WATCH, IT MUST ALWAYS BE IN AIRPLANE MODE WHILE AT SCHOOL AND ON THE BUS. We are trying to do as much with technology as we can this year and the more devices we have, the more we can get done. We

are lucky to have a handful of Chromebooks in our classrooms but obviously the more we have, the more we can do. Thank you!!
